Sir:

Applicant submits herewith form PTO-1449 listing the documents listed in the International Search Report established in PCT/BE00/00138 of which this application is the 371 National Stage application.

Copies of each of the documents mentioned on the form are already in the file of this application, as confirmed in the Notice of Acceptance mailed to Applicant on October 26, 2001 in this application.

The relevancy of each document is indicated in the International Search Report.

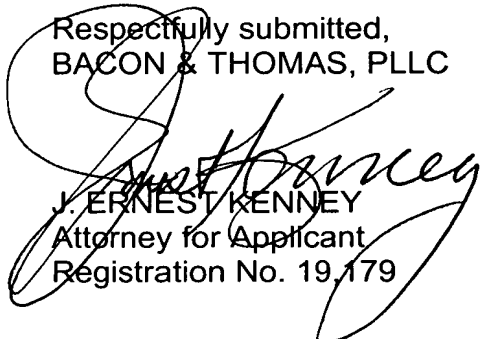

This Information Disclosure Statement is submitted to ensure that the documents listed in the International Search Report (or equivalents thereof) are listed on the face of any patent granted from this application.

It is to be noted that U.S. Patent No. 6,421,974 cited in the first office action mailed in this application corresponds to GB 2 331 770 A listed in the International Search Report.

Serial Number: 09/869,299
